

## Welcome to Healing Strides Mental Health, Learning and Coaching Program

We are happy that you are reaching out to see how our services can help you and/or your family members. Please complete this entire form and email it to us. We will be in touch with you with more information.

This form is the initial contact that will get you started in the process to receive services with our team.

We typically begin services with a Coaching Model and then move to Psychotherapy as clinically necessary. Our team consists of Certified Coaches, Licensed Mental Health Professionals and trained Equines.

Our rates are \$150.00 per hour for these services. This is a ground-based program which means there is no riding involved.
