

Hello everyone, my name is Sharon Applegate and I'm the Executive Director at DEAF, Inc.

We all are still going through tough time with coronavirus outbreak. We hope you are doing OK.

We at DEAF, Inc. care about the Deaf, DeafBlind, Hard of Hearing and Late-Deafened people and their families and community.

Staff have been contacting consumers across the state to see how they are doing.

We are still available to provide services to support you.

If you have any questions or concerns, you can contact us:

frontdesk@deafinonline.org, (617) 505-4823 VP or (617) 254-4041 V.

We will call, VP, or email you back. If you do not hear from us within 48 hours, please contact us again.

We are doing everything we can to get back to you to continue providing services.

Due to the COVID-19 outbreak, in-person and walk-in services are not available.

Our office locations are not open. All DEAF, Inc. staff are working off-site. Staff are not in the offices.

This is for the safety of staff, consumers, community, and will continue until further notice.

Contact our staff at their regular numbers & email.

You can find contact information on DEAF, Inc. website.

DBCAN is available to support the DeafBlind Community.

If you need to go out for essential needs, contact a DBCAN provider.

If you have problems, questions, or concerns, contact DBCAN staff

educharme@deafinonline.org, jhealy@deafinonline.org, or 617 860 3708 VP (please email first)
