

Access, Awareness, and Achievement for Deaf, DeafBlind,
Hard of Hearing and Late-Deafened People

Online American Sign Language (ASL) Class Schedule Summer 2020:

What's New?

All classes will be held virtually over Zoom. Our curriculum has been adapted to be taught in this format. Our strict cap of 15 students per class ensures that each student still receives individual attention.

Why learn ASL at DEAF, Inc.?

Our voice-off online classes provide a fun, relaxed, and interactive learning environment. Get support and feedback from our instructors, who are Deaf and native ASL users.

DEAF, Inc. Uses the TRUE+WAY ASL Curriculum

TRUE+WAY ASL is a technology-driven curriculum that provides online videos and interactive activities. TWA's main objective is to promote real-world conversations related to student's daily lives with the goal of students being able to converse with Deaf people in the community.
