Hello everyone!

I hope you all are feeling well.

I want to announce DEAF, Inc.'s Phase 3 will not begin next week. We will stay in Phase 2. This means all DEAF, Inc. offices throughout eastern Massachusetts will remain open two days a week by appointment only.

Phase 2 will continue through December 2020.

DEAF, Inc. wants to ensure a safe and healthy environment for everyone.

We are still available to provide both remote and in-person services.

DEAF, Inc. reopening phases are subject to change, depending on public health COVID-19 data trends.

We will continue to share new office reopening updates.

Stay healthy. Stay safe. Continue to wear masks and practice social distancing.
