Over 40 Years Of Experience Crafting Quality Stainless Tanks and Fermenters.

Spokane Industries® is proud to offer smaller portable tanks to our distillery customers. These 550 and 825 gallon tanks can be had as a basic jacketed tank or with popular options such as grain screens, and cleanout manways. All are built to the same tough standards as our larger tanks, so you know they will be dependable distillery tools one can count on for many years to come.

NEED PORTABLE TANKS FAST? - CALL TODAY TO INQUIRE

We may have a **limited supply in stock**, ready to ship, or in the event available tanks sell out, the design is simple to facilitate expedited production. We want to offer distillers a versatile tank to serve a variety of distillery tasks, be affordable, and be readily available.

Call us today and let us help you get some of these great portable tanks into your distillery!

Makes a great addition to wine and cidery operations, too!
