To Whom It May Concern:

It is my pleasure to write this letter of recommendation for SofSurface, Inc. I have enjoyed a positive working relationship with the Mr. John Prins and the staff of SofSurface, Inc. since approximately 2002.

My personal knowledge of SofSurface Inc. began at the Los Angeles Unified School District (LAUSD) while attempting to find a suitable replacement playground surfacing material to be used throughout the District. After an extensive testing, evaluation, and research process, we found the SofSurface tile products to be extremely durable, possess good fall height characteristics, excellent warranty, and fantastic customer support

Since moving to Glendale Unified School District, I have continued to enjoy a satisfactory relationship with SofSurface, Inc. and can without reservation recommend them for all your playground surfacing needs.

If you have any questions, I am always available to assist.
