We used these fonts.

Aa

Zilla Slab

A contemporary slab serif, based on Typotheque's Tesla, it is constructed with smooth curves and true italics, which gives text an unexpectedly sophisticated industrial look and a friendly approachability in all weights.

Aa

Poppins

Geometric sans serif typefaces have been a well known style tool ever considering the fact that these actors took towards the world's stage. Poppins is one of the new comers to this long tradition. With help for the Devanagari and Latin writing systems, it is an internationalist take around the genre.

Aa

Titillium Web

Titillium is born inside the Accademia di Belle Arti di Urbino as a didactic project Course Type design of the Master of Visual Design Campi Visivi. The aim of the project is the creation of a collective fonts released under OFL.
