A panel of expert judges evaluated more than 60 entries from industry vendors showcasing their newest, most innovative products and services to decide **Casino Journal's** Top 20 Most Innovative Gaming Technology Products Awards for 2011. Judging this year's contest were Greg Solomon,

chief executive officer, MotorCity Casino; Donne Grable, vice president, gaming operations, VCAT LLC; and Warren Davidson, Slot Director, Coughatta Resort.

Top 20 winners will be honored and plaques will be awarded at the Wednesday, June 13th, keynote luncheon at the tenth annual Gaming Technology Summit, slated for June 11-13, 2012, at the Green Valley Ranch casino-resort in Las Vegas. The winners of the Platinum, Gold and Silver Awards, along with the winner of the contest's Attendee Choice Award, also will be announced at the luncheon. Show attendees will vote during the Summit for the Attendee Choice Award winner, selecting from among the Top 20 winners. These top four award winners also will be featured in the August issue of **Casino Journal**.

Congratulations to the Top 20 winners and thank you to all of our entrants and our judges for their valuable time and the diligence of their analysis.
