“...And no other day is better to Allah than the day of Arafah when Allah (SWT) descends to the lowest heaven and boasts of the people on earth to the inhabitants of heaven and says:
“Look at My slaves who have come with grown hair covered with dust to perform Hajj. They have come from all directions hoping for My mercy though they haven't seen My punishment. So there is no other day than the day of 'Arafah when the people are released abundantly from Fire.”
