# ekolife

Saving the planet can start at home.

please visit:
**www.ekolife.co.uk**

## Step 1

Pre-fold the panels and creases

## Step 2

Fold in the side panels and tuck the bottom underneath so the tabs are on-top.
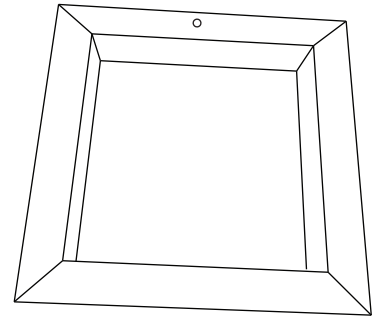

## Step 3

Repeat the fold on the top panels bringing them over the tabs and tucking underneath
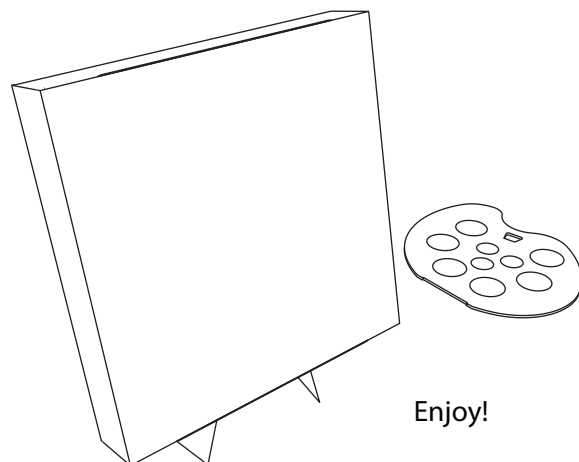

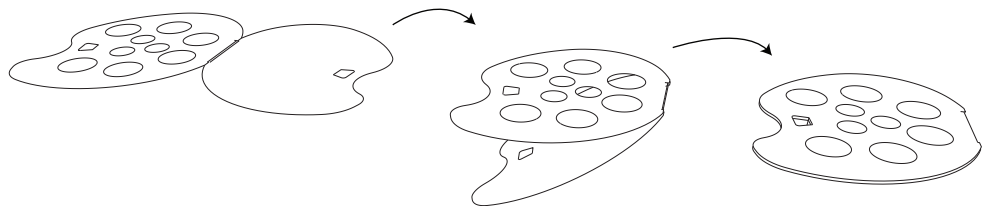

## Step 4

Folded panels now should be locked in, Enjoy !

## Step 5

Fold the support as shown

## Step 6

Fold and lock the paint palette

Enjoy!
