

Office Hire

Shake up your office:

Looking for something to break up the daily routine at the office? Here at Clubhouse, we're the UK's number one mobile miniature golf service. Our brand new, state of the art mobile mini golf holes are the perfect way to promote a fun work culture. Employees will be reenergised after a fun coffee break putt-putt, in the office hallway, lobby or lunch room.

How it works:

Opt into our office hire programme and you'll receive your very own hole. Clubhouse will replace your obstacles with a brand new set every month, meaning a constantly changing challenge for employees and visitors alike. With a range of customisable options including custom course turf, obstacles, putters and balls, there's no better way to make your office stand out from the competition.

Pricing:

Available for monthly, quarterly and annual hire.
Prices start at £999 per month, with complimentary rotating obstacles included.

Bespoke:

At Clubhouse we're able to create holes that go as far as the imagination takes them. If your company are looking to really stand out from the crowd, let us know and our design teams will happily bring your wildest ideas to life.
