What next....

Step 1.

Get in touch or pop by our workshop to discuss what you have in mind - we love to hear your ideas.

Step 2.

To help you visualise the space within your hut we will provide a layout drawing. Drawings can be easily altered if our initial drawing doesn't match your vision. At this stage we will give you an approximate delivery date and an accurate cost of your hut.

Step 3.

The final step before your order is confirmed is a site visit, to decide where and how we will position your hut.

Step 4.

Work starts on your hut. At regular intervals throughout the build you will receive progress updates. You are more than welcome to visit as often as you wish during the construction stage.

Step 5.

Delivery day! Your hut will be delivered using our Landrover and trailer or for larger huts we use a low loader. We take care of everything involved with siting your hut.

Easy Payment Terms

- 10% deposit secures your order and time slot
- 50 % of the outstanding balance is due 2 weeks before work begins on your hut
- The remaining balance is due on completion of your hut prior to delivery
