

# SPRINGWOOD SCHOOL

## SECOND GRADE

YOUR  
PICTURE COULD  
BE HERE!

At Springwood School we are preparing students for careers, not just grades. We are entering our 50th year of impacting the community as an award winning college preparatory school focusing on mind, body, and spiritual development. As we move into our next 50 years, Springwood is expanding our boundaries to include preparing students for:

- jobs that have not yet been created
- technology that has not yet been invented
