Students at Springwood School are required to participate in the Summer Reading Program. Your rising third grader should read independently at least **3 chapter books** this summer. The following listing of books offers titles that are popular with boys and girls who are entering third grade. The list is a good place to start, but it is only the beginning. Other titles by these authors or other authors offer enjoyable reading. Please help your child select books on their reading level. Read and record the book title and author on the record sheet. It is mandatory to return the reading record sheet in on the first day of school.

Reading transports curious minds to wondrous realms of the imagination!

You can always read more than 3 books!

My child read these books between June and August this summer.
