

Updated: 6/9/2020

All fifth graders will be required to read the novel *Frindle* by Andrew Clements. This novel will be reviewed and discussed during the first week of school, and students will be tested on it.

Additionally, read a **minimum of three other novels** (at least 4th grade level or higher) of your own choosing. **You will be required to take AR tests on the books you read so be sure to choose books that you haven't already taken AR tests on. The average of the top three AR test scores will count as one reading test grade.** If you read less than 3 books, or books below a 4th grade level, the missing scores will be averaged in as zeros. If you read more than three, the **top** three AR scores will be averaged for the grade, so this increases your chance of starting off with a high reading test grade!

Please fill in below and bring this with you on the first day of school.

Student Name: _____

**Reading transports curious minds to wondrous realms of the imagination!
I verify that my child read the above mentioned books over the summer.**
