Hello! I am very excited to be part of the Springwood Community and starting my 7th year as the Academic Support Teacher for Springwood School. As support teacher, I work with students from 3rd grade to 12th grade in a variety of subject areas as an additional resource for their academic success.

I graduated from LaGrange College receiving a BA in History and then earned a Masters degree in the area of Interrelated Resource from the University of West Georgia. When I'm not in school I enjoy my family, watching baseball, cooking and gardening. I'm looking forward to working with you as partners in your child's success this school year.
