

LE

MADE TO ORDER

CUSTOM OPTIONS

With the use of RAL spec colored fiberglass gel coats and Corian surfaces, thousands of different variations of Pangaea can be custom configured. To simplify the options, 14 preferred colors and 14 preferred table top options have been pre-selected based on how well they suit the piece's character and how brilliantly they compliment each other.

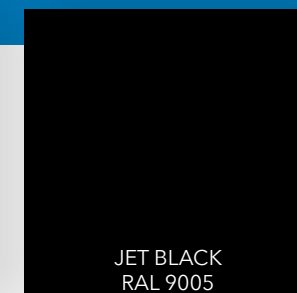

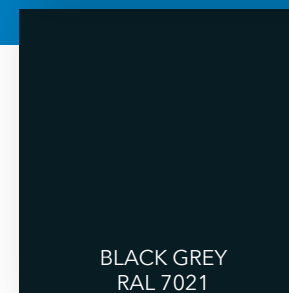

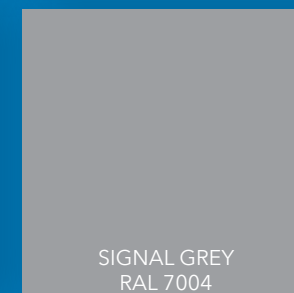

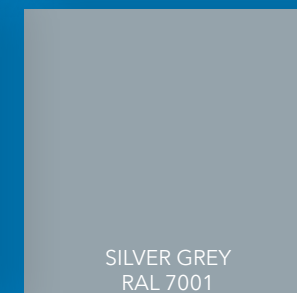

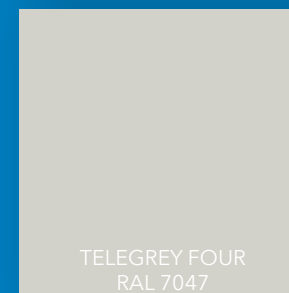

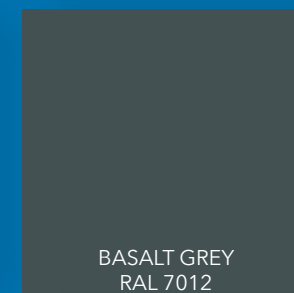

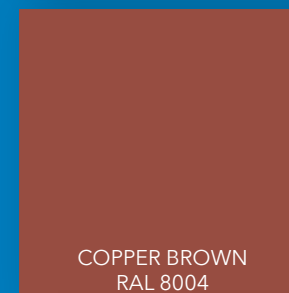

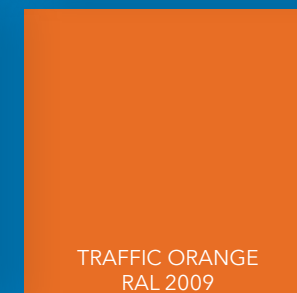

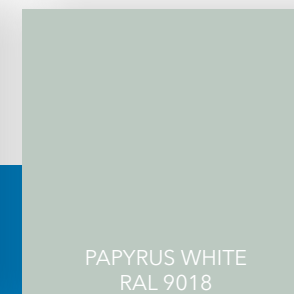

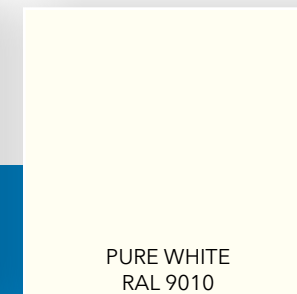

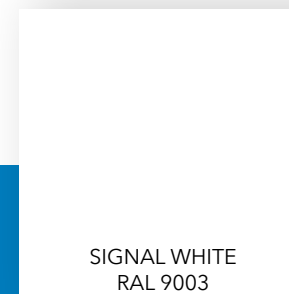

BODY COLOR

COLOR OPTIONS

For custom orders, Pangaea is offered in 14 preferred colors and over 170 standard colors. The main table and side tables can also be requested in all different colors or all matching colors.

Available

CUSTOM COLOR REQUEST

Please inquire if you have a specific RAL color in mind that is not listed among 14 preferred colors or the over 170 standard colors as it may very well be available.

TABLE TOP

TABLE TOP

Pangaea is offered in 14 preferred table top options. The main table and side tables can be ordered in all different tops or all matching tops.

Through the use of Corian, Pangaea is able to achieve its complex curvilinear shape. Corian is also low maintenance, extremely durable, and offered in an array of beautiful shades and patterns. This allows Pangaea to be used in public spaces where it may see much more use without worrying as much about damage.

Other table top materials such as quartz and marble are not standard, but are available if they buyer requests.
