EXPERIENCE

UX Designer

AIGA ATX Changemaker Series, June 2019 - Present

I apply human-centered design thinking to assist Black Mamas Community Collective in their mission: reduce morbidity rates among black mothers. I'm conducting user research, persona creation, competitive & heuristic analysis, and survey re-design to aid doulas in data retrieval, collection, and synthesis of maternal medical questionnaires.

Digital Experience UX Intern

Adobe, May - Aug 2019

My primary role at Adobe-Magento was to conduct market research, apply these findings in the interactions of the user-interface, and conduct A/B testing for Venia PWA's list feature.

UX/UI Designer

General Assembly UXDI, Feb - Apr 2019

At General Assembly ATX, I designed end-to-end for projects that ranged from conceptual re-designs to client-requested deliverables: disruptED Parent & Teacher Platforms for mobile and desktop; Rental Feature for Zillow iOS app, Lions & Tigers & Toys e-commerce desktop site redesign, and a conceptual design for a mobile social and networking app called TimeSwap.

Dual Language & ESL Teacher

Taught grades 2-4 in Spring Branch ISD, Baker Ripley Charter Schools, Austin ISD from June 2014 - Feb 2019

Designed curriculum for bilingual thematic units for Writing, Reading, and Social studies. Achieved 1-1.5 years of reading growth for 2nd-4th classrooms.
