

RQI Simulation Station Instructions

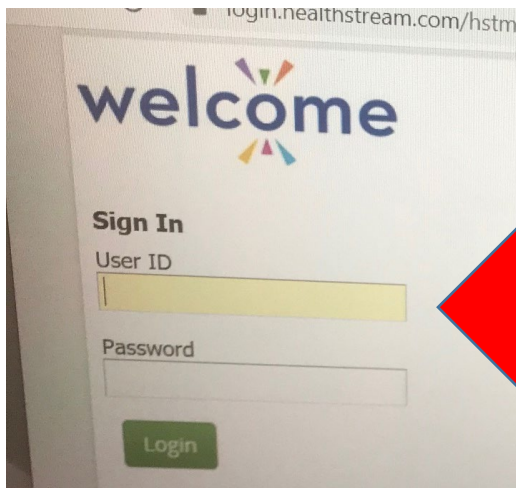

1. Click on the Google Chrome icon on the Laptop (it is also a touchscreen)

2. Click on the Healthstream icon

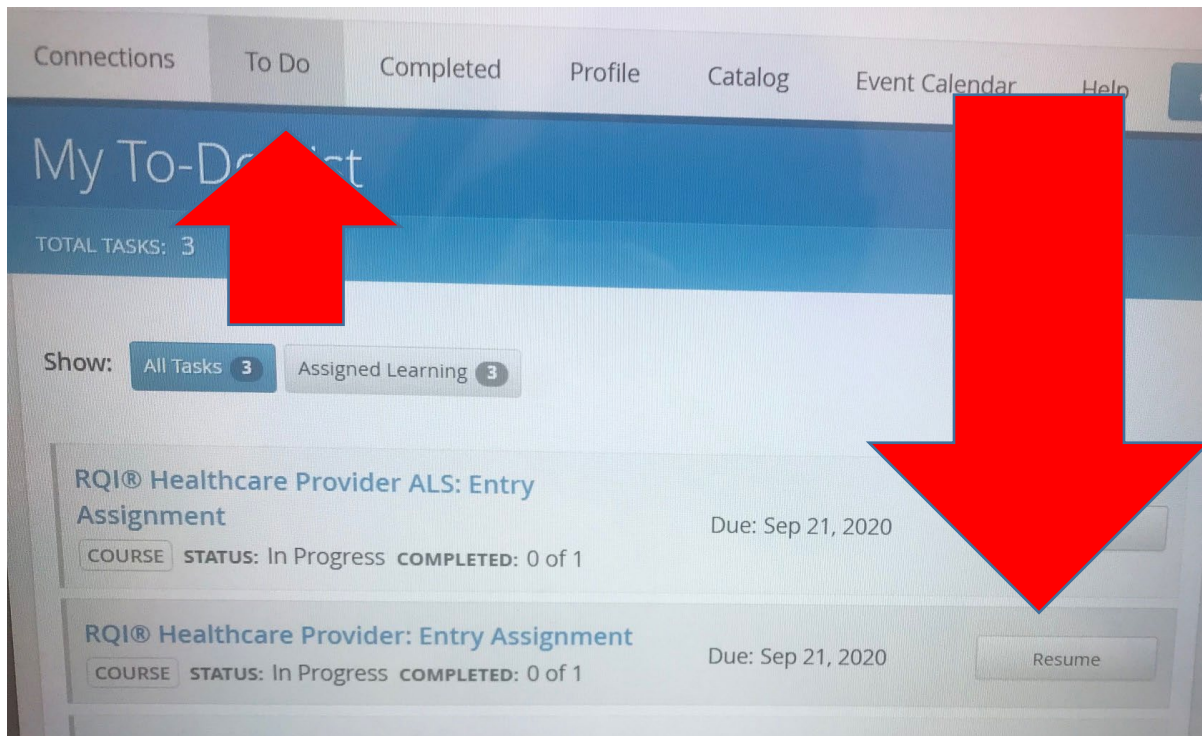

3. Enter your user ID (last 4 digits of your employee number found in Ultipro if you have forgotten it)

4. Enter your password "health" (same for everyone)

5. Click on "To Do" tab in Healthstream

6. Click on the "RQI Healthcare Provider Entry Assignment"

7. Follow the steps listed
