

RQI Quarterly Healthstream assignments

1. Log into your Healthstream from your regular computer (DO NOT use the simulator computer to complete the didactic portion, it is only for RQI Provider skills checks or “core skills”)

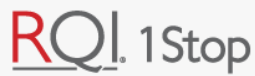

- 2.
3. Your assignments will show in your “To Do” list
 - a. Each person will have assignments based on their job code.
 - b. If you find you are missing an assignment please let Jennifer Hendrix in HR know
4. Complete each assignment quarterly
 - a. You will not get your ALS/PALS/Provider certificate until you complete your “core skills” on the mannequin each quarter in addition to the quarterly online assignments through Healthstream.

5. Two sections to complete for each assignment (PALS/ALS/Provider, which is BLS)

- a. Session 1 (~ 10 min) through Healthstream from your work computer
- b. Core Skills (~ 10 min)

***this must be completed at the RQI cart**

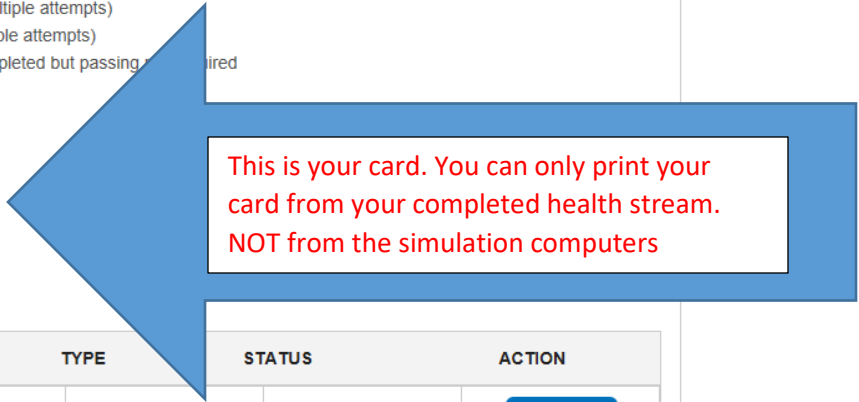

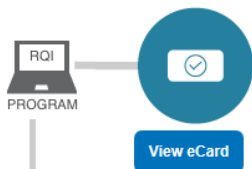

RQI® Provider

Start: 2019/07/09

Welcome to RQI® Provider

Completion of all quarterly assignments will extend your eCredential which includes:

- Watching videos and/or interacting with activities until completion
- Passing required for all eSimulations (with multiple attempts)
- Passing required for all Core Skills (with multiple attempts)
- Quarter 4: Baseline assessment must be completed but passing is required

RQI® PROVIDER	TYPE	STATUS	ACTION
↳ Core Skills	Required	Due 2019/09/30	▶ START
↳ Session 1	Required	Due 2019/09/30	▶ START

You do not need to print your card for Tri-State or turn it in.
Human Resources can see your activity and card in Health stream.
You can print your card if you are up to date with your activity for other jobs.
