

# MOAB 2021

In the introductory session (this is the 4-hr session) participants will learn basic strategies to identify aggressive behaviors and avoid physical harm. All staff are encouraged to attend this session.

*Staff must take/have taken the introductory course prior to attending the second day of training.*

*Sign-up for the class in Healthstream- Search "MOAB" and select "register" for the course*

The additional second day of training includes hands-on strategies to control aggressive behavior and avoid physical harm based on modern techniques and principles. Hands-on skills include escorts, resistive escorts, and defensive tactics for guns, edged weapons and choke holds. This session is specifically for staff who work in high risk areas, work with patients or family members on a regular basis, respond to Code Grey's, or work at night or alone.
