

linelube LS Gear Oil 80W-90

Product Description

linelube LS 80W-90 is a high-performance gear oil with quality base oils and an advanced extreme pressure additive system designed especially for limited slip differentials. It provides excellent protection against thermal degradation, corrosion, component wear and prevents the formation of deposits to offer longer extended gear and bearing life. The added friction modifier helps to reduce chatter and improve traction to provide longer service life.

Features & Benefits

- Good anti-foam properties
- Exceptional load-carrying capability
- Excellent limited slip performance
- Reduced chatter and improved traction
- Provides effective rust and corrosion protection

Applications

Limited slip differentials fitted to passenger cars, vans and trucks. Agricultural and heavy-duty plant equipment where an API GL5 80W-90 is required.

Specifications

- **API:** GL-5
- **Military:** MIL-L-2105D

Typical Test Data

Density @ 15°C	0.887
Kinematic Viscosity @ 40°C	155
Kinematic Viscosity @ 100°C	15.8
Viscosity Index	103
Pour Point (°C)	-28
Flash Point (°C)	210
