

# TURNER CENTER

at MARTIN METHODIST COLLEGE

*Cultivating Thriving Rural Communities*

To be considered rural churches, they must fit one of two eligibility requirements. They must either:  
 1) Be located in a county that is not designated as metropolitan by the US Office of Management and Budget  
 OR

2) be within a census tract with a Rural Urban Commuting Area (RUCA) code of 4 or higher, which is the USDA classification.

65% of the churches in the Tennessee and Memphis Annual Conferences are considered rural. If you believe your church meets these qualifications, but is not listed, please contact us, 931-424-7347.
