Step 5: Complete the Target Population/Occupation Details and click continue

Registration

Target Population/Occupation Details

Target Population/Occupation will determine your eligibility to receive a vaccine as per current state vaccination tier.
You will be required to provide proof of your target population/occupation at the time of vaccination.
If your target population/occupation is not listed, then select "Other".

Target Population/Occupation
Select Target Population/Occupation

Job Title or Employer Name
(optional)

Work or Private Invitation Email Address
(optional)

If you are receiving vaccination through your employer then you can enter your work email address otherwise you can leave it blank.
Work email address is optional. It is required only when your employer has a private location where its employees can schedule an appointment for vaccination.
