#### Service details

ZCP - ZIM Container Service Pacific Service

ZSA – ZIM Sunny Atlantic Service

ZGX – ZIM US Gulf South China Express

ZNF - ZIM New Frontier Service

ZP8 – ZIM Pacific Procyon

The above is necessary to respond to the lower demand. We will continue to monitor the situation closely and additional modification of our services may be announced in the weeks ahead. We will provide further update to our network changes in due course. The changes will commence from Asia and will be effective for full round voyage including departures from the Americas.

ZIM will continue to offer full service coverage to minimize impact to our customers by securing reliable alternative connections on our other Transpacific services, which will continue to operate as scheduled. Please contact your local ZIM customer service or sales representatives or check our schedule at <https://www.zim.com/>
