

Harborough Magna Parish Tidy – Saturday 24 April 2021

Come along and spend an hour or two to help tidy our village - tasks include cutting back the grass strips where they have grown over the footways, picking up litter, weeding along the house frontages in Main Street, planting spring bulbs in the verges, sealing a few gaps in the village telephone box/defibrillator hub.

We will meet at 10.30 outside the Old Lion (Jacqui is kindly providing coffee and teas) to share out tasks - and ensure we don't all do the same thing! Sticks for picking up litter, high vis vests, bags and bulbs will be provided - please bring your own gloves, or garden tools.

Covid safety guidance on mixing of households and social distancing must be maintained - but you do not need masks as we will be outside.
