For Sheep & Goats of All Ages

# Gold Spike® - Sheep

## Directions for Sheep and Goats

**Support a healthy GI tract and optimal immune system:**  
6-28 grams (see scoop options below) per head per day for  
three (3) days.

Continue support with 3 grams (1 small scoop) daily per head.

**Support normal milk:** 56 grams (2 large scoops\*) per head  
per day for three (3) days. Continue or repeat if necessary.

**Support flock udder health:** 1-2 grams (1/3-2/3 small scoop)  
per head per day in TMR or top dress.

## Directions for Lambs and Kids

**Birth through weaning:** 1 gram (1/3 small scoop) twice per day.

**Support a healthy GI tract and optimal immune system:**  
2 grams (2/3 small scoop) per head, twice per day for a period  
of 3 to 5 days.

Small scoop = 3 grams

Large scoop\* = 28 grams

*For optimum synergy feed in combination with Showmen's Choice™.*

## Storage Recommendations

Store in cool, dry area out of direct sunlight and avoid extreme heat.

Refrigerate to extend shelf life.

*\*Large scoops available in 8 lb. sizes.*
