Small Ruminant Semen Processing

WE ARE THE SPOT FOR REPRODUCTIVE SUCCESS

Increase Fertility Potential

Open days, multiple inseminations, late offspring = Expensive

Save Money

Buy or sell rams or sperm with confidence. No wasted \$\$

Generate Confidence

Is that new buck fertile?

~ Understanding sperm quality = Increased potential for kids.

~ Analyze frozen sperm or fresh sperm.

~ Have confidence knowing your buck's sperm is healthy and of good quality.

~ Your buck is only worth what he can produce...
LET US help you PROVE that WORTH!
