WEEK FIVE

# PLAY IT SAFE OR RISK IT ALL

---

GENESIS 12:1-4 (NLT)

*“The Lord had said to Abram, ‘Leave your native country, your relatives, and your father’s family, and go to the land that I will show you. I will make you into a great nation. I will bless you and make you famous, and you will be a blessing to others. I will bless those who bless you and curse those who treat you with contempt. All the families on earth will be blessed through you.’ So Abram departed as the Lord had instructed.”*

## REFLECT & EXAMINE:

1) God called Abraham (Abram at the time) to a life he could not yet see. Have you given God a 'blank check' with your life? Do you allow Him to do with your life and your resources what He wishes to do? Or do you find yourself apprehensive to fully give Him the reins of your resources?

2) To what do you look in order to ensure that your tomorrow will be secure? Family? Friends? Money? Your career? Your talents and abilities? In what lies your security for the present and the future?

3) What would it look like for your faith in this **MVMT** season to be so significant that it creates a witness that draws others to God as they watch both how you give and the changes you make? What might that mean for you?

4) What prayer would you lift up to God as you seek to live out this **MVMT** commitment over the next two years? What do you seek from God in order to help make this commitment possible?

5) Considering Abraham's sacrifice and obedience, what will future generations of your lineage say of your faith and obedience? What decisions and commitments will you make today to sow into your legacy of radical faith and generosity?

## PRAY:

*Father, silence all created voices and only allow me to hear from the uncreated voice, which is Yours. As I make my commitment today, may it be a commitment from my whole heart. Jesus, more than anything I can imagine, hope for, or ever dream—You can outdo it all! I pray today for a radical, sustaining faith in You. I pray for our whole church today, that together as a family we join You in whatever it is that You desire for our church. May today mark the beginning of an incredible legacy story that You are writing in and through us. May we live fully abandoned for Your glory and for the sake of the world that you passionately love. May Your movement be our motivation in every part of our lives. May we corporately, and may I individually live as a declaration of your greatness! Today, through our generosity, I pray that You provide for every detail for whatever it is You desire to do in and through our church over the next two years! Father, we pray for faith and faithfulness in the days to come.*
