

## MAHIA - from \$58,000 + gst

We love caravanning and classic cars. We wanted to create a retro caravan – the caravan needed to be light and “just the right size” for our classic car to tow. Most importantly, our caravan had to ooze “retro cool” and have all the bells and whistles of a brand new caravan.

### Vision

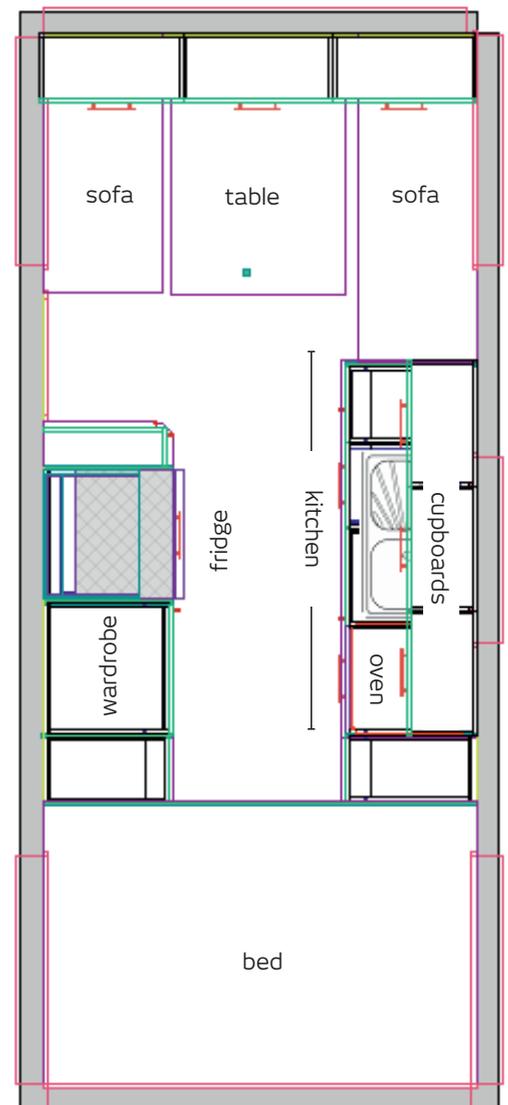

- Customised to suit – as many bells and whistles as you want
- Timeless looking & collectable caravan that future generations will enjoy for years
- Compliments any Classic vehicle – lightweight for towing
