IL VIAGGIO DELLE DEE
GODDESS VOYAGE
by Stefano Costabile

2017
SPRING
CARNIVAL
COLLECTION

Milliner Artisan Stefano Costabile

Entering the lab of Stefano, aka Steven, is like entering Alice's Wonderland, free from time boundaries where you can express yourself through fantasy. Madness becomes genius and hats become wearable art objects.

Stefano inherited a deep passion for millinery from an old craftsman, a gift of alchemy: the mixture of natural fabrics and manual treatments give Felt and Sinamay the distinctive softness of a life sculptures.

**BE
SPOKE
HATS**

Stefano can create a unique hat, a wearable sculpture that can match your personality, your sense of style and desire by modelling Sinamay in a musical form.
