

Customer Own Servicing

When you ask us to service your own portable toilet, welfare cabin or any other item of sanitation equipment, we undertake a weekly service.

This is a service we carry out for several companies who ask us to look after their toilets and accommodation in the East and West Midlands.

With nearly 20 years in the industry we have the experience to provide the service you deserve.

Service Details

- Toilet waste tank is cleaned and serviced to agreed timescales by trained D-tox Group personnel
- Replenishment with consumables (water and deodoriser, toilet rolls)
- Refilling water tanks
