

# **Thank you for your** **donations!**

**La Segunda accepts donations behind the store  
during open hours: Weds-Sat 10:00 - 4:00**

**Please do not drop off donations at other times as  
items can be stolen or damaged by weather.**

**All donations should be clean and in working order to  
be sellable and reusable and to protect the health of our  
volunteers. No trash and no dumping. Please... no rodent  
droppings, leaves, or stains.**

**No large appliances or furniture.** Small appliances  
(such as coffee makers) that work are great! Small pieces  
of furniture can sometimes be accepted as space allows.  
We hope to be able to accept larger items in the future, but  
for now please donate those items to other local charities.

**Book donations should go to the library and should  
follow their donation guidelines.** Bring them into the  
library. No textbooks, encyclopedias, or dirty/moldy books.

**We are happy to provide a receipt for your taxes!**
