**Bank agnostic.**

Do you already have a merchant account? No problem, Beanstream can connect their gateway to virtually any financial institution in North America.

*We really liked the quick response time to inquiries and consistent service that we receive from Beanstream. Whenever we had a question, we were able to get in touch with someone that was located in Victoria, and who was knowledgeable enough to answer all our questions.*

Stewart Scholz, **WildPlay**

*Having worked with Beanstream on many accounts over the past 11 years, the Beanstream team continues to provide the timely, efficient and knowledgeable service I have come to expect. I look forward to continuing this great partnership.*

Joe Savoie, **PowerUp Sports**

*We have been working with Beanstream for the past couple years and we do a high transaction and client volume. They are consistently responsive to our needs and a solid partner in providing a quality solution to our customers.*

Rob Carmichael, **CampBrain**
