

The International Boarding & Pet Services Association (IBPSA) is a professional business association that provides business resources, industry expertise, staff education and training, certifications, and legislative support for the pet care services industry. IBPSA Members include the owners and employees of pet boarding and daycare facilities, groomers, dog walkers, pet sitters, veterinarians, trainers, and holistic care pet care providers.

Join IBPSA now to be part of our growing international community of pet care professionals enjoying the resources, support, and insight to stay ahead and prepare for the future in the fast-growth, highly competitive world of pet care services. [Join Now](#)

PetExec has partnered with IBPSA since 2016 and value the expertise and accountability they bring to the companion pet industry!
