COVID-19 UPDATE

Firstly, we are extremely excited to welcome you back to the Royal Hotel after having been closed. Given the unusual climate in which we must now operate we ask that you be understanding of the following conditions:

- All patrons in all areas of the hotel *must* remain seated at their table at all times unless visiting the restrooms or ordering at the bar
- We have very strict conditions on how many seats and tables are permitted in the venue. We have measured our floor space and our tables are all positioned in a compliant manner. We therefore request that no furniture is moved at *any* stage without management approval
- When ordering at the bar we require you to abide by our social distancing markers
- It is a Government requirement of entry that we take your details should NSW Health need to contact you at any stage. Unfortunately entry to the venue will not be allowed without the provision of these details
- We regret that we may have to turn patrons away if we have reached our permitted capacity. We appreciate your understanding and cooperation if this is the case

Finally, we would like to ensure you that our staff are committed to ensuring that the Royal Hotel is a clean, safe and enjoyable venue. We have ample cleaning and sanitizing products and procedures in place and have taken steps to ensure all high-touch surfaces are sanitized frequently. Hand sanitiser is also available free of charge at multiple locations throughout the venue.

If you need any further assistance please do not hesitate to ask.

This is a single-use menu.
