## EXPERIENCE

### INDUSTRIAL DESIGNER

STUDIO WEST CONCEPTS, REMOTE, 2019 - PRESENT

- Remotely collaborated with team on brainstorming, designing, and prototyping numerous pet products for clients, including balls, chew toys, and throwers.
- Worked with the team and shareholders improving the aesthetics, ergonomics, and functionality of a product designed to decrease manufacturing injuries. As part of the team, I was required to attend meetings with client, offer creative solutions, address client needs, and travel to the client's headquarters for a brainstorming session with shareholders.
- Together with the design team, I was responsible for brainstorming, designing, and prototyping a product that improved the mobility of handicapped individuals.

### B.S. INDUSTRIAL DESIGN

METROPOLITAN STATE UNIVERSITY OF DENVER, 2015 - 2019

- Learned the process of design and applied it continually through MSU's rigorous education standards.
- Learned numerous facets of design including: Ergonomics and Human-Factors, User Experience Design, Interface Design, Furniture Design, Prototyping Methods, Brainstorming Methods, Research Methodologies, Sketching, Manufacturing, Handling Clients, Business Basics, Design History, Design Trends, Empathetic Design, and Public Speaking.
- Attended numerous events aimed at mentoring underclassmen, sat on panel assembled to help underclassmen navigate their way through the rigorous portfolio review. Assisted in onboarding process for underclassmen.
- National Society of Collegiate Scholars Member
- Golden Key International Honour Society Member
