

# Living a Real Life

## Bathroom Cleaning Checklist

### Bathroom:

- Spray the bath and scrub
- Clean off any mould
- Clean and polish the taps until they are dry and shiny
- Spray the shower walls and scrub
- Clean the hand basin
- Clean the vanity top
- Clean and polish the taps until they are shiny
- Wipe the vanity cupboards
- Clean the mirror and frame
- Wipe down the walls until they are free of dust
- Wipe the skirtings with a damp cloth
- Wipe the wall where the hand towel sits
- Wipe the windowsill and window
- Wipe the back of the door
- Wipe the light switch
- Vacuum the floor including behind the door
- Wash the floor
- Put any dirty towels in the laundry and replace with clean ones

### Toilet:

- Clean the toilet bowl – squirt it with cleaner and give it a good scrub, especially up under the rim and down at the bottom to ensure there are no stains
- Wipe the top of the toilet
- With a clean cloth wipe the seat, lid and cistern
- Empty the rubbish bin
- Clean the outside of the toilet right down to the floor and the wall at the back
- Wipe the skirtings
- Wipe the walls beside the toilet to about waist height to remove any splashes
- Wipe the windowsill
- Wipe the back of the door
- Wipe the light switch
- Vacuum the floor
- Wash the floor
- Replenish toilet paper if necessary
- Smile!
