

THE OP CAFE

The Story of OP Cafe

The OP Cafe is a historic, hidden gem on Ocean Park Blvd only a few miles from the beach. The small cozy 37 seat restaurant first opened in 1942 as a local, neighborhood cafe dedicated to serving the quality, homemade breakfast and lunch fare with a smile. Since 2007, the Verge family has been keeping that same dedication to quality ingredients, welcoming hospitality and community-driven service

It's all in the details at The OP Cafe as the surf inspired decor reflects the laid back, casual dining room to sunlit patio that welcomes dogs & humans alike. Also at OP, giving back to the community is an integral part of our ethos. Over the years the team continues to partner with local police and city service workers in addition to creating fundraisers for the local schools, sports, environment and arts programs. We believe that good honest, fresh food in a down-to-earth setting is what everyone needs to start the day right.

Plus, if you are looking for a place to celebrate a special event or looking for an event space - OP Cafe After Dark is here for you. You can book your event with us. Please call 310.452.5720 or inquire through our website.
