Welcome to the PM Kidz Family!

Thank you for choosing PM Kidz Pediatric Primary & Acute Care Clinic for your child's Primary Care Physician. To help our office prepare for your arrival, we have attached new patient registration forms to be completed prior to your appointment. In order to expedite your registration process, we ask you e-mail or fax your completed forms. Also, please email or fax all previous medical records including your child's last physical exam, vaccine record, growth charts and any specialist reports. If you are unable to send this information before your appointment, you may bring it with you to your appointment but understand that it may delay your registration process. Please arrive 15 minutes early to your scheduled appointment. If you have any questions or concerns, you may contact our office at 240-585-7128.

Bring the following documents to scheduled appointment:

Parent/Guardian Identification
Insurance Card
Medical Records/Vaccine Records
Hospital Discharge Summary (for newborns)

We are located at 603 Post Office Road, Suite 108, Waldorf MD 20602. We are located in the Lakeview Professional Complex, Building 603, on the back of the building by the lake.

We look forward to meeting you and your family!

Thank you,

The PM Kidz Team
