The fine print:

Bartenders require 1 hour set up + 1 hour breakdown. Gratuities not included in price, your bartenders will have a discrete tip jar placed on the bar top, unless otherwise requested. Additional fee maybe added for excessive labor, ie: moving of bar, 2 bar set up, etc.) Additional labor fees will be discussed during venue walk thru prior to final payment. We always suggest having 2 featured cocktails to insure your guests have a menu to look at to keep lines down, if you would like a cocktail not on our menu we can curate one with you. Guest count includes ALL adult guests, anyone under 21 will be charged \$2 per person to cover soda pop, juices, cups and ice. All Guests must have valid ID on them during the event. No drinks will be served to ANY guest prior to service start time. Additional guests after final payment will result in after-event fees. Service time not to exceed 6 hours. We reserve the right to stop serving any guests or stop service completely if necessary. Any alcohol brought onto venue must be served by licensed bartenders once service starts. Due to liquor license we are unable to serve shots. Please review your final contract and email for any revisions needed, any changes not specified will be the fault of the client. For full service packages: NO outside alcohol is to be brought onto the venue grounds, WRBF is to supply all alcohol for event. At the end of service all alcohol left over is the possession of WRBF not the client, no alcohol is to be taken off premises by client or guests. Full House "Bar Basics": mixers (oj, club soda, cranberry, tonic, coke, diet coke, sprite), garnishes, napkins, disposable high quality plasticware, ice, bar set up, cocktail prep work. If final menu choices are not chosen we will supply 'house favorites'. For labor only packages no guest may self serve alcohol from their cars, brides room, bathroom, etc. or we will stop service completely. At the end of event all alcohol will be placed into the possession of a designated responsible, sober adult. **No alcohol is to be consumed on the premises after 11:00pm unless specifically written in the contract.**
