Please read and sign the boxes below and return with your deposit and booking sheet.

We require a $200 facility deposit upon rental of our venues. This deposit is to cover damage to our facility, extra cleaning costs, or other incidentals. This deposit is refundable if the following conditions are met (as determined by Weston Red Barn Farm)

- [ ] No cars left overnight at the farm. Please remind your guests to make arrangements for carpooling, especially if alcohol is served at your event.

- [ ] "Do Not Enter" barriers are respected. No cars driving behind the barns, no guests in animal pens and all posted signs on the farm adhered to.

- [ ] No fireworks allowed or confetti canons. (This includes sparklers.)

- [ ] The facility is to be respected and left in good condition. No cigarette butts, no bottles or cans in the parking lots, no damage to buildings or property.

- [ ] Unless an additional hour has been previously purchased, everyone (including vendors) and items are to be off the farm by 12am. Make arrangements to clear tables, remove decorations, and remove guests to avoid overage charges.
