EDUCATION

WESTERN KENTUCKY UNIVERSITY

August 2016 - Current

Junior, four-year Bachelor of Arts in Photojournalism with a minor in Folk Studies. Current GPA: 3.60.

Participant - THE MOUNTAIN WORKSHOPS

October 2017

Five day photojournalism workshop where participants shoot and develop a picture story on a member of the community under the guidance of industry leading professionals.

Participant - APJ SEMINAR

November 2016, 2017, 2018

Two day photojournalism workshop featuring presentations and portfolio reviews by industry leading professionals.

EXPERIENCE

Visual Creative - BEAM IMAGINATION

Summer 2018 - Current

Worked on productions ranging from web-series and documentary films to commercial photoshoots. Content ranged from traditional stills and motion to 360 degree and immersive VR media for clients such as Delta and the Atlanta Zoo. Was involved in most productions from inception to post-production.

Studio Manager - WKU PHOTOJOURNALISM

Fall 2018 - Current

Manager for the photo studio for Western Kentucky University's photojournalism program. Responsibilities included maintaining and organizing studio equipment, managing studio scheduling and assisting photographers with studio needs.

Photographer - ATLANTA BRAVES

Summer 2018

Photographed home games and events for the Atlanta Braves organization. Duties included editing and post production work flow with quick turnaround on deliverables. My position with the Braves existed through a contract with Beam Imagination.

Multimedia Editor - COLLEGE HEIGHTS HERALD

Spring 2018

Edited and produced content for the weekly print edition and website of Western Kentucky University's student newspaper. Work included producing an in-house ad campaign and creating multi-cam and 360 videos. Facilitated a staff of 15 photographers/videographers.

Photo Assistant - FREELANCE

Summer 2018 - Current

Assisted on dozens of shoots for both commercial and editorial photographers. Shoots ranged from "run and gun" shoots to multi-day studio productions.

Salesperson / Repair Tech - THE CAMERA DOCTOR

2014 - 2016

Worked as a salesperson and camera repair tech for a small camera shop and film processing lab. Specialized in film cameras and leaf shutter based cameras such as Hasselblad, Mamiya, and large format photography systems.
