

## STRATEGIX SUMMIT

*Building a strong foundation for your practice to grow on.*

This customized session ensures the creative exchange of ideas, concerns, desires and solutions in an interactive, constructive environment. You will leave with articulated *Vision*, *Mission* and *Values* statements and a clear strategic plan with tactical steps, accountabilities and timelines. Most importantly, you and your team will leave empowered, with a renewed passion for building your practice!

Why take time out of your busy already successful practice to do strategic planning?

- To capitalize on undiscovered opportunities.
- To leverage your competitive advantage.
- To raise your team's commitment and enthusiasm.
- To discover ways to build new levels of patient loyalty.
- To proactively create the lifestyle you've always wanted.
- To enhance relationships and the practice environment.
- To create higher revenues with less work.
- To ensure everyone is united and working together towards a shared vision.

Unleash the creative energy of your team to achieve an unrivaled advantage for your practice! Over this one to two-day facilitated session—tailored specifically to your practice—we collaborate with you to:

- Gather and present relevant information.
- Keep your team focused.
- Stimulate creative thinking.
- Ensure equal participation.
- Provide personal guidance to the Dentist(s).
- Promote a sense of ownership and accountability within your team members.
- Document the results of your retreat—a strategic and tactical plan that everyone can follow.

Most dental practices face increasing competition in the marketplace, constant pressure to stay on the leading edge of technological advances, and the challenge of attracting and keeping enthusiastic patients, and competent, committed team.

Growing a business that meets those challenges successfully takes foresight, innovation, vision, and bold, decisive action. The Strategix Summit is a powerful and effective method for collaboratively developing strategies and a detailed action plan that will make your practice everything you've always wished it could be.

*With clarity about where you are starting from, a clear vision of where you want to end up, and a plan for getting there, unlimited success is within reach. For more information on the Strategix Summit, please contact us at [info@strategix-ltd.com](mailto:info@strategix-ltd.com) or 403.651.4070.*
