million dollar quartet

BOOK BY COLIN ESCOTT AND FLOYD MUTRUX
ORIGINALLY DIRECTED ON BROADWAY BY ERIC SCHAEFFER

On December 4, 1956, Sam Phillips, owner of Sun Records in Memphis and the man who discovered and started their careers, brought together the four legends-to-be for the only time in their lives, for what has come to be known as one of the greatest rock jam sessions of all time. Featuring the greatest rock 'n' roll, gospel, R&B and country hits from these music legends, including "Blue Suede Shoes," "Walk The Line," "Folsom Prison Blues," "Who Do You Love?," "Great Balls of Fire," "Hound Dog," and "Whole Lotta' Shakin' Goin' On". Million Dollar Quartet tells the story and captures the high energy spirit and rockin' sounds of a unique moment when four of music's most extraordinary talents, all in their creative prime, came together for one of the most memorable nights in music history.
