

# Sorry We're Closed

**Due to the COVID-19 regulations, we will be closed until further notice.**

We will endeavour to keep you up-to-date across our website and social media to the best of our ability. You are important to us and we value your support.

We're sorry for the inconvenience but we will, however, be back bigger and better when we do re-open.

Thankyou for your ongoing support of a local business. It means so much to us. Stay safe and stay in touch. We hope to see you all again soon.

## **The Bundy Bowl Team**

In the meantime, if you're cooped up at home keeping some sweet social distance, you're a real trooper. But it can be boring, so here's some tips to bring a little Bundy Bowl action to you.

We know you've got a few rolls of toilet paper back there somewhere. Save up 10 empty tubes, set 'em up and roll a fresh roll down. TP Bowling.

Decorate a big cardboard box like a car and strap it over your shoulders. Get your sibling to do it too. Now you're bumper cars. This is also a great way to create a hygiene barrier of space between you and the people around you. Double win.

Read a book. Write a play. Sing. Spring clean. Autumn clean. Hopefully you won't have to Winter clean. Call your mates. Call your family. Laugh.

We love fun. It's literally in our DNA. We'll do our best to keep bringing the fun to you across the internet, but we'll be back in real life real soon. In the meantime, we reckon we've taught you well. Stay safe, take care of each other, and create your own fun. You've got this.
