“Brinshore excels at delivering a complete solution—from master planning to property management.”

- Heads the Kansas City office.
- Manages several major initiatives around the country including the Kansas City CHOICE Neighborhoods Initiative and the Highlander development.
- Has closed and developed 677 residential units and 65,000 sf of commercial space in ten developments and spearheaded a successful \$30 million CHOICE application.
- Was honored as one of the “Top 35: Tomorrow’s Newsmakers Under 35 Years Old” by Real Estate Forum in 2007.

### Experience

Prior to joining Brinshore, Todd was a Development Manager for CityInterests, a Washington, DC based real estate development company focused on the revitalization of underutilized commercial and transit-oriented urban properties. For the company, he sourced several development projects including a non-profit primary care facility and an early childhood education center. In addition, Todd managed predevelopment activities for the mixed-use redevelopment of two aging strip shopping centers, a 112-unit townhouse project, and the Parkside master development, which is a three million square foot LEED for Neighborhoods, gold-certified, mixed-use, mixed-income transit-oriented development on the northern Anacostia Waterfront.

Before joining CityInterests, Todd was a Vice President with Bank of America Community Development Banking’s Real Estate Development Group, where he managed the Centerpoint development in Baltimore, an \$85 million mixed-use development that featured both historic adaptive re-use and new construction.

### Public Service

Todd is a member of the Advisory Board of the Urban Land Institute and the Mattie Rhodes Center.

### Education

A past Fellow at the Center for Urban Redevelopment Excellence at the University of Pennsylvania, Todd also received a Masters in City Planning from Massachusetts Institute of Technology and a BA in Urban Studies from the University of Pennsylvania.
