

LINK GLOBAL TECHNOLOGIES ANNOUNCES \$700,000 NON-BROKERED

PRIVATE PLACEMENT UNITS OFFERING; MR. STUART MCLAUGHLIN JOINS

ADVISORY BOARD

VANCOUVER, BC, CANADA, JULY 14, 2020, LINK GLOBAL TECHNOLOGIES INC. (CSE: LNK; FRA: LGT; OTC: LGLOF) (“**LINK**” or the “**Company**”), a power and infrastructure solutions provider for digital mining and data hosting operation, is pleased to announce a non-brokered private placement of up to 2,121,212 units (each, a “**Unit**”) at a price of \$0.33 per Unit for gross proceeds of up to \$700,000 (the “**Offering**”). Each Unit will consist of one common share of the Company (each, a “**Share**”) and one-half of one common share purchase warrant (each whole warrant, a “**Warrant**”), with each Warrant entitling the holder to purchase one Share at a price of \$0.66 per Share for a period of two years following the closing of the Offering. The Company intends to use the proceeds from the Offering for: commissioning of the Kirkwell site for tenant’s cryptocurrency mining operations and general working capital purposes.

The Company is also pleased to announce the appointment of Mr. Stuart McLaughlin to its Advisory Board. Mr. McLaughlin is President and CEO of Higher Ground Holdings, a privately held investment firm. Mr. McLaughlin was formerly one of the principals in Grouse Mountain Resorts and was the chair of PAVCO Crown Corporation. The Advisory Board provides strategic advice on the direction of the Company, advising and assisting with business development by and for the Company, and facilitating introductions between the Company and third parties who may be in a position to assist in furthering the goals of the Company.

Stephen Jenkins, President and CEO of Link, commented, “Link appreciates the continued support of its shareholders. By accessing strategic capital for the commissioning of the Kirkwell site, we anticipate the generation of substantial revenues that will lead the Company to profitability.” Mr. Jenkins further commented, “We are also honored to have Mr. McLaughlin joining the Company as a special advisor. His vision and experience will be a welcome contribution to the development of Link’s business model and expansion objectives.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION. This news release contains “forward-looking statements” within the meaning of applicable Canadian securities legislation. Forward-looking statements consist of statements that are not purely historical and include any statements regarding beliefs, plans, expectations or intentions regarding the future. Often, but not always, forward-looking statements can be identified by the use of words such as “plans”, “expects”, “is expected”, “forecast”, “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates”, or “believes”, or variations (including negative variations) of such words and phrases, or statements that certain actions, events or results “may”, “would”, “could”, “should” or “might” occur. Forward-looking statements made in this news release relate to: that the partnership allows Block One to access Link’s existing power assets in order to conduct its digital mining operations more cost effectively, while also allowing Link to expand its current business operations; that the companies intend to pursue future agreements that will play an important role in Link’s growth strategy; that by working with Link, Block One can take advantage of the competitive energy prices Link offers, while continuing to expand its digital currency mining operations; and other matters relating to the Company’s business plans.

All such forward-looking statements are based on the reasonable beliefs, expectations and opinions of the relevant management as of the date such statements are made; and are subject to risks, uncertainties, assumptions and other factors that may cause actual results, performance or developments to differ materially from those contained in the statements, including risks related to factors beyond the control of the Company. In the case of the Company, these risks, uncertainties, assumptions and other factors include, without limitation, fluctuations in the price of electricity, fluctuations in the price of digital currencies/bitcoin, the future potential halving of bitcoin, increases in the network difficulty rate and price of digital currencies/bitcoin, negative changes in the level of digital currency/bitcoin rewards per block, the securing of economic rates for the purchase of power, the opportunities for acquiring digital currency mining hardware, material adverse consequences of the COVID-19 pandemic; unanticipated changes in laws, regulations or other industry standards affecting the business of the Company; the effects of general economic and other factors beyond the control of the Company, and other matters that may occur in the future. No assurance can be given that any of the events anticipated by the forward-looking statements will occur or, if they do occur, what benefits the Company will obtain from them. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those

anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. The Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.

For a complete discussion with respect to the Company and the risks associated with forward-looking statements, please refer to the Company's financial statements and related MD&A, as well as other documents filed from time to time with the Canadian Securities Exchange, the British Columbia Securities Commission and that Alberta Securities Commission, which are filed on SEDAR at www.sedar.com.
