

Charitable Registration Notification

June 2, 2020

We are thrilled to announce that The For GOOD Foundation has just received charitable status from the Canada Revenue Agency which means we can issue tax receipts for donations to the Foundation. We are proud to share our Charitable Registration No. 71809 3883 RR0001

Our mission is to source surplus food and manufacturing capacity and turn it into good nutritious food for those who need it most – food banks, shelters, and missions. To-date we have secured more than \$2 million of food for Food Banks Canada and Windsor Help Centre.

It is important to note for our donors that our guarantee is that **100%** of ALL donations go back to the cause which is more important than ever today as so many Canadians are facing food insecurity.

Our online donation system will be up and running soon but in the meantime you can email us at donations@theforgoodfoundation.ca to talk to us about making a donation.

All donations will have a significant impact on food insecure Canadians so please consider donating any amount. Some examples of the great impact your donations will have:

Donation Amount	TFGF Product	Will Feed
\$25		50 hungry families for dinner
\$100		200 hungry seniors
\$1000		lunches for 2000 children

We look forward to sharing more information with you so please keep coming back to our website to learn more.
