

God At Work

Jane has been coming regularly to Jonathan's English outreach on her college campus. She decided to leave her job which had her working on weekends. This allowed her the freedom to come to our church Christmas outreach with her boyfriend and sister. This was her first time at church! She had a good time along with her boyfriend and sister. Pray that God would continue to work in her heart to have a relationship with Jesus.

Jane

Christmas Outreach

This semester has continued to go well at the universities. Praise God that a lot of new students have joined in the English outreaches. Easter was a great time to share the good news with these students and to help them see how much Jesus loves them. Please continue to pray for God to open their hearts to Him.

Transitions

The dreaded question came once more, "Where is home?" With so much changing in our lives and preparing to go on home service, this is the question that we will receive. Our kids were born in Hong Kong and Taiwan, but we are from Michigan. Kids are in different states for college and Jessica is getting married and moving to Seattle. I guess home is where we are living! :). But Heaven is our home! We

Packing for home service.

celebrate and rejoice with Joe as he prepares to graduate high school. He will do a gap year with Vanguard and then go on to Wheaton College. Jessica graduated with her masters in teaching and just drove across the country to Seattle where she is looking for a teaching job. She is getting married on June 12 in Michigan! Josiah will soon be the only child still at home. We are looking forward to seeing you all while we are in the US for the year, but we will miss our ministry in Taiwan! We thank God for providing coworkers to help step in and continue the ministry while we are in the US.

Growth and Fruit

What joy to see the ladies growing spiritually and starting to memorize scripture. They are learning and applying it to their lives. Our heart is for the

Special dinner together.

Bible study time!

husbands to come to know Jesus too as at least half of them have unsaved family. I had invited the ladies and their husbands for a dinner in our home, but due to covid outbreaks we had put off the dinner as the ladies were concerned. This spring we tried again and all but one of the ladies joined us and three of the husbands also joined for the dinner. For one of the husbands it was the first time he actually went to a place where he didn't know everyone. He was so touched by the time together. It was a good time of fellowship. The ladies surprised me and sang a song of blessing for us. It was a precious time. One of the husbands who was a Christian said, "This is the fruit of your labor." We continue to pray for these ladies to continue to grow and for the many husbands who have not yet come to know Jesus.

PRAISE THE LORD FOR...

1. Being able to connect college students - Hank, Leo, Kevin, Jaycee, Jane and others!
2. Ladies from Bible study are doing well. We had a meal at our home with them and 3 of the husbands joined us! It was a good time.
3. We were able to have a meal with Andy and Angela. Pray that Andy would have a relationship with Jesus.
4. Jessica & Josh both had a busy semester! Jessica graduated with her masters and Josh finished his semester well.
5. Joe is about to graduate high school and go to Wheaton after a gap year with Vanguard. Josiah had a good 6th grade year.

PRAY FOR:

1. The Lord to work in the hearts of university students as they heard the meaning of Easter! Also, pray for Jonathan's coworkers as they continue on while we are in the US.
2. Wisdom as we pack, prepare for home service and Jessica's wedding.
3. Jessica to find a teaching job in Seattle and for preparations for the wedding!
4. God to provide a home for our dog, Jazzy, while we are gone.
5. The ladies bible study to continue well online with the new leader.

KIDS CORNER

Covid has finally hit Taiwan, and is spreading, though thankfully not many have died. Masks are still required and we are doing school in person (but we have done a bit of online school this year.) Jessica did great with student teaching and has graduated with her masters! I can't believe she is getting married on June 12! Josh was able to come to Taiwan for Christmas and has just finished another year at Cedarville. Joe helped lead a mission trip to Chaiyi with an outreach to the kids there and sharing about Jesus. He also helped lead a spiritual life conference for students at the school. He will graduate in a couple weeks and then we will head to the US for a year. I had a busy school year playing soccer, volleyball, and I was a police officer in our school play! Can't wait to see everyone in America, but I'll miss my friends here in Taiwan. Pray for us as we go through these changes. Thanks, Josiah

David & Robin Watters - 5/17/2022

After 78 ½ hours of traveling, leaving our house in PNG and arriving at our kids house in Michigan, we are here! Thanks for praying for us along the journey. It was very smooth, with no issues... until we checked in for our domestic flight from Chicago to Grand Rapids. Somehow 2 of our 3 checked bags didn't get on the plane with us when we boarded in Chicago. Thankfully we have clothes in storage here that we could dig out so we have clean clothes to wear. Please pray that they will show up in the next day or so. We were carrying a bag for someone else who was planning to meet us to pick it up on Thursday. Pray the bag will arrive so we can get it to them before they head back to Pennsylvania.

In all our travels through the years, we have had only one other time the airline has misplaced a piece of luggage, and that one was not important (It was a PVC pipe with bows and arrows in it). So, we praise the Lord for all the times he has looked after our bags in the past... and we know they will show up eventually.

Thanks again for praying. David Watters
